A contract of employment will be given to Ellie.

Culverts.

The Chairman continues to contact the water management team monthly they have now indicated that traffic lights will be needed as the culverts are by the road before the survey proper is conducted.

Speed Watch

Peter Frost has 8 volunteers plus Colin Sutton who volunteered during the meeting, they will all be sent 2 forms per person to fill in and sent to Safety Camera Partnership in Norwich.

Electric Vehicle Charging Points.

Because of the short time in which to register an interest the clerk registered on behalf of the council and the village hall committee.

Correspondence.

All correspondence has been sent to the Councillors as they received by the clerk
The Parish Partnership Scheme for 2023/2024 will be discussed at the next meeting.

Pylons.

A planning application was received by South Norfolk from National Grid.

Deal Farm.

A new application has been received by South Norfolk 2022/1108, this reduces the amount of manure and feed stock going in to the digester.

The Councillors asked the clerk to send in the same letter as before outlining their concerns, any further concerns will be lodged after a meeting which is being organised to allow all the villages in a 12 mile radius to consider the new application.

Tree Planting

This will be discussed at the next meeting

James Easter

Nutrient neutrality which Environment Agency and DEFFA have imposed on all building of houses in South Norfolk hope to come to agreement that means single house development could soon go ahead with small developments to be agreed at a later date, this problem has stopped the development of the by pass and housing in Long Stratton.

The villages clusters will be discussed by cabinet at South Norfolk.

Barry Duffin

Gave a resume of business at County with the Blofield road duelling given the go ahead as well as the Northern distributor road round Norwich.
